

# Civilized Permanence

## Cave Sanctuary Residence

CONCEPT DESIGN PRESENTATION

HARMONY  
WITH NATURE

SELF-SUFFICIENT  
LIVING

ENDURING  
ARCHITECTURE

TIMELESS BY  
DESIGN

KNOWLEDGE & CONTEMPLATION

SANCTUARY & RESTORATION

COMMUNITY & SUSTAINABILITY

DESIGNED FOR ENDURANCE

LIGHTING IS NATURAL, WHEN  
POSSIBLE

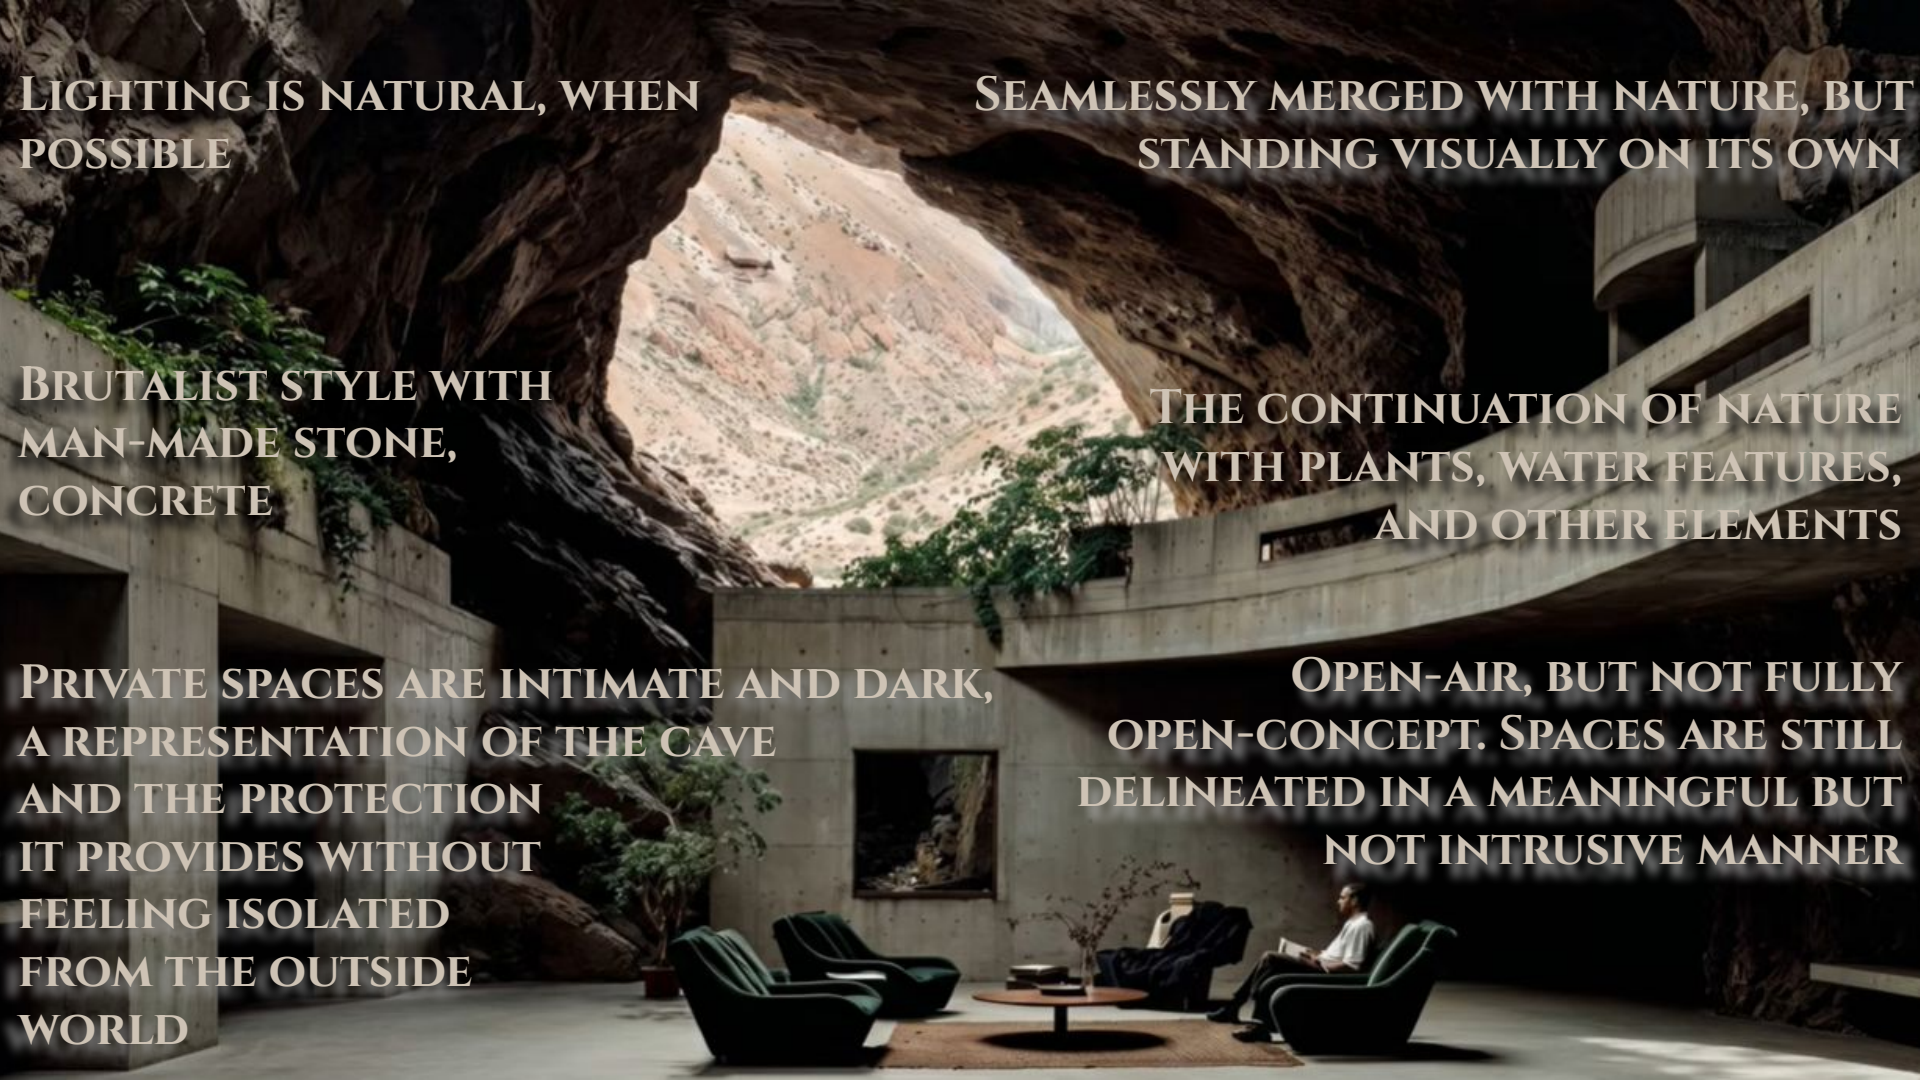

BRUTALIST STYLE WITH  
MAN-MADE STONE,  
CONCRETE

PRIVATE SPACES ARE INTIMATE AND DARK,  
A REPRESENTATION OF THE CAVE  
AND THE PROTECTION  
IT PROVIDES WITHOUT  
FEELING ISOLATED  
FROM THE OUTSIDE  
WORLD

SEAMLESSLY MERGED WITH NATURE, BUT  
STANDING VISUALLY ON ITS OWN

THE CONTINUATION OF NATURE  
WITH PLANTS, WATER FEATURES,  
AND OTHER ELEMENTS

OPEN-AIR, BUT NOT FULLY  
OPEN-CONCEPT. SPACES ARE STILL  
DELINEATED IN A MEANINGFUL BUT  
NOT INTRUSIVE MANNER

# CAVE SANCTUARY RESIDENCE - CONCEPTUAL BLUEPRINT

360° LIVING IN HARMONY WITH NATURE + TECHNOLOGY

## MAIN FLOOR PLAN

SCALE: 1/8" = 1'-0"

- VIEW SEQUENCE (360°)**
